About Us

Your Trusted Marine & Industrial Supplies Partner — KG Basin & Beyond

KKD Marine & Industrial Supplies commenced commercial operations in **March 2017** in Kakinada, Andhra Pradesh — strategically positioned at the heart of India's Krishna-Godavari (KG) Basin offshore energy hub. The company was established to meet the critical consumable and equipment needs of major SURF (Subsea Umbilicals, Risers & Flowlines) and offshore construction projects operating off the Kakinada coast.

Today, KKD Marine operates India's most comprehensive **ready surplus inventory** of mechanical, electrical, and safety products, serving drilling rig operators, petroleum E&P companies, subsea installation contractors, and industrial facilities across the country. Stocks are maintained at our warehouse in **Suryabagh, Visakhapatnam**, with our registered head office in Kakinada.

Founded	2017 — Kakinada, Andhra Pradesh	Warehouse	Suryabagh, Visakhapatnam
Stock Items	500+ Line Items Ready-to-Ship	Facility	2,200 sq ft warehouse

Major Projects Delivered

KKD Marine was founded by professionals with direct hands-on experience in some of India's most demanding offshore SURF and subsea projects:

Project	Client / EPC Contractor	Scope Highlights
KG-D6 SURF (KG Basin)	Helix Energy Services	11 suction piles, 28 umbilicals, 10 structures, 6 manifolds, 10 trees & 56 rigid jumpers off Kakinada coast. >\$1 million in materials supplied in a single year.
ONGC Vashishta Subsea Project	McDermott Asia Pacific SDN BDN	Supply and services for subsea installation operations off the Kakinada coast — ongoing relationship.
HPCL SPM Project	Leighton Contractors & Heerema	Marine consumables, rigging equipment and logistics support for single-point mooring installation.
GSPC Project	Heerema	Marine and offshore consumable supply for Gujarat State Petroleum Corporation project.

Why KKD Marine?

Six reasons why India's leading offshore operators choose us

1. Ready Surplus Stock — Ship Today

Over 500 line items of genuine OEM surplus stock across mechanical, electrical, and safety categories are held at our Visakhapatnam warehouse, available for same-day or next-day dispatch — critical when your rig is waiting on critical spares.

2. KG Basin Domain Expertise

Nine years of specialised experience supplying SURF, subsea, and drilling projects in the Krishna-Godavari basin. We understand the technical specs, ATEX/Ex certification requirements, offshore logistics, and the urgency that characterises project procurement.

3. Proven Tier-1 EPC Track Record

Trusted by McDermott, Helix Energy, Leighton Contractors, and Heerema. We have supplied over \$1 million in materials for a single project, demonstrating capacity and reliability for large, time-critical contracts.

4. Exhaustive Brand Portfolio

We stock products from 50+ global OEM brands: Hawke, CMP, Amphenol, Demco, Parker, Kunkle, Lewis, Donaldson, Brady, 3M, MSA, Honeywell, Wilden, Palazzoli, MEDC, E2S, Cooper Crouse-Hinds, Crosby, and many more.

5. 24/7 Availability & Dedicated Account Management

Phone access is available round the clock. A dedicated key account team ensures every enquiry is handled promptly — from initial quotation through delivery and invoicing — without gaps in the supply chain.

6. Competitive Surplus Pricing

Surplus stock means genuine-brand products at competitive prices, without the long lead times of new OEM orders. We also source through approved aftermarket channels for brands such as Atlas Copco, Quincy, and IR.

How We Work

Our key account team manages each customer through the complete cycle — from enquiry receipt and technical clarification through sourcing, packing, logistics, and delivery. We ship from Kakinada, Visakhapatnam, and major sourcing locations across India. For items not in stock, our procurement network typically delivers within **2–3 weeks**. We also facilitate re-certification, equipment overhauls, NDT & welding, fabrication, and load testing through our trusted associate network.

Electrical & Lighting Products

Explosion-proof, ATEX-rated, and general industrial electrical items from leading global OEMs

Cable Glands — 117+ Part Numbers in Stock

- Hawke 501/453 UNIV — ½" NPT to 3" NPT (C, D, F series) — largest surplus stock in India
- Hawke 501/421 series — M20 to M63 metric; NPT-to-metric adapters; RAC armoured variants
- Hawke ICG/653 UNIV — sizes B M25 through D M50; CCG and CCGO corrosion-guard variants
- CMP UK — T3CDS, PX2KX, EIFX, A2F series — M20 to M63 and ½" to 2" NPT
- CMP 737 range — metric/NPT reducers incl. 1-½" NPT-M40, M20-M25
- Amphenol NY 13838 EX — M25/M32 sizes; 20B-3-1-R and 45F-B-3-1 series
- Stopping plugs — dome head, 476 series, CMP 757 — M20 to 1¼" NPT
- Reducer bushings — M50-M32, M63-M40, M20-M32, OSCG M25-M20 and more
- BICC Barrier Glands (424/UB series); CCG Corrosion Guard; 476/A and 476/R ranges

Plugs, Sockets & Industrial Connectors

- Palazzoli: panel-mounted straight (471032), angled wall sockets (471002/471366)
- Gewiss: multi-socket couplers (GW64013/27), waterproof mobile sockets, system adapters
- Mennekes 63A 6H 200–250V 2P+E IP67 (Type 128RS)
- Steck Shocktite 16A 250VAC 6H IP67 receptacles
- GHG series sockets (511/513/517 range) — heavy-duty Ex-rated industrial connectors
- Hubbell Watertight plugs for marine & offshore applications

Explosion-Proof & Industrial Lighting

- MEDC XB4 Ex beacons and sounders; E2S Ex alarm beacons (Vision Alert range)
- Cooper Crouse-Hinds EVMBX92251 Ex-rated floodlights
- ATEX floodlights, luminaires, and confined-space Ex Wolf portable lamps
- Helideck perimeter lights; Q-Light range Ex products (Korea)
- Portable Ex-lighting; Ex beacons, sounders and alarms — Appleton, Eaton, Tranberg

Ballasts, Drivers & Heating Elements

- Philips EB240A, Tridonic, HEP, Quicktronic fluorescent ballasts
- Bodine BDL60U emergency lighting ballasts; CREE UR LED drivers
- Heating elements for commercial kitchen equipment:
- Hobart, Lang, Electrolux, Rica, Kawai, Elmatic, Kronus (US & European OEM brands)

Electrical Junction Boxes — Ex & GP

- Bartec, Hawke, Abtech, Rose — GRP and stainless steel Ex-rated enclosures
- Rondo junction boxes (Palazzoli P/N 113030 & 113040)
- Ex-rated conduit boxes and fittings in stock

Mechanical Spares & MRO

Valves, fittings, couplings, expansion joints, filters and pneumatic components

Valves — Multiple Technologies

- Demco Butterfly Valves — 2" to 10" Lug (NE-C) and Wafer configurations
- P/N range: J022119-5114311 (2" Lug) through J022126-5115311 (10" Lug)
- Kunkle Safety Relief Valves — ½" to 2", 50–200 PSI; ASME Sec I, IV & VIII certified
- Parker 6K Needle & Ball Valves; SS Ball Valves ¼" to 1-½"; Brass Ball Valves ¼" to 2"
- Globe Valves up to 4"; Parker FEM-752 instrumentation valves
- Flowtek, REX, Tosca, Emico ball and butterfly valve brands also available

Chicago Couplings — Full Size Range

- 1" Hose End (11 EA), ¾" Hose End (35 EA), 1" Female End (36 EA)
- ¾" Female End (10 EA), ¾" Male End (12 EA), 2" Male 4-Lug (2 EA)
- ½" Male (2 EA), ¼" Male (3 EA), ½" Female (11 EA), 1" Female (4 EA)
- 1" Hose End (25 EA), Campbell ½" Female (15 EA)

Rubber Expansion Joints

- Proco, Eagle Burgmann, Goodall, Unaflex, Teguflex — 2" to 8" from ready stock
- Absorb pipe movement, thermal expansion, and vibration in rigid piping systems

Lewis Snake Grips — Cable & Wire Pulling

- LSG and LSG-X models — ¼" to 3" sizes for pulling cables on rigs and platforms
- LSG-X features a permanent swivel tube for single-piece operation

Filters — 30+ Part Numbers

- Quincy, Donaldson, Baldwin, IR, Sullair, Harmsco, EMD, Atlas Copco aftermarket
- Air, oil, water purification filters — 5 to 20 micron ratings
- HVAC pleated filters and filter rolls; Alwitco mufflers from ready stock

Parker Hose & Instrumentation Fittings

- Series 1CA43, 10678, 13978, FEM-752 — ¼" to 1-½" hose and instrumentation fittings
- Pneumatic hose fittings from Dixon and Campbell

FRLs, Pneumatics & MRO Sprays

- ARO, Norgren, Wilkerson, Speedaire, Parker — FRL assemblies; Wilden pump spares
- Anti-seize compounds, industrial greases, electrical cleaners, OSPHO rust converter
- Rustoleum, Bosny paint sprays, primers, and corrosion inhibitor sprays

Ring Joint Gaskets

- R, RX, BX styles per ASME B16.20 & API Spec 6A — carbon steel and SS316 grades in stock. CNC-machined to tolerance.

Safety & Industrial PPE

Personal protective equipment, fire safety, lockout/tagout and spill control

Category	Products & Brands in Stock
Head & Eye Protection	MSA, Honeywell, Uvex safety helmets Fire helmets with chin straps and ID tags; safety spectacles and face shields
Respiratory Protection	3M OV cartridges (multiple grades); CAP 437 confined-space masks H2S escape sets — SCBA compatible
Hand Protection	Salisbury arc flash gloves; Superior cryogenic gloves Insulated rubber, anti-vibration and cut-resistant gloves
Fall Protection	Full-body harnesses (multi-point); tool lanyards and shock absorbers Anti-slip tapes and grip surfaces
Spill Control	Oil and Hazmat spill kits (shore & offshore); containment pallets Spill putty, absorbent socks and pillows
Lockout / Tagout	Brady & Masterlock LOTO stations; butterfly and ball valve lockout devices Scafftags, danger tags, permit holders
Fire Safety & Emergency Response	Rescue sticks and emergency beacons; fire hydrant tools; storz couplings High-pressure fire hoses; first response kits
Motors (up to 1 HP)	Baldor, Reliance, Emerson, GE, Marathon — single-phase & three-phase
Facility & Miscellaneous	Scupper plugs, pad eyes, zip-lock bags, trash liners HVAC filters, marine polish, AC coil cleaners, fuel transfer hoses

Rigging, Marine & Wire Rope Products

Comprehensive rigging hardware and lifting equipment for offshore and marine projects

Product	Description & Specifications
Wire Rope & Chain Slings	All common configurations — single, 2-leg, 3-leg, 4-leg Grade 80 and Grade 100 chain slings; flat belts and round slings
Crosby Rigging Hardware	Shackles (bolt, screw-pin, ROV-operable), turnbuckles, hooks, swivels, rings, and masterlinks — standard and high-tonnage
ROV Hooks & Shackles	ROV-operable shackles and hooks for subsea deployment Safety pins for all shackle sizes; Crosby safety hook latches
Blocks & Sheaves	Rope blocks, snatch blocks, Skookum blocks Wire rope sheaves, pulley assemblies — deck and rigging use
Mooring Ropes	Nylon, polyester and polypropylene mooring lines Sea fastening lashing belts; taglines and handling ropes
Tiger Chain Pulley & Level Hoists	Chain blocks and lever hoists for confined-space and deck lifting
Wire Rope Accessories	Closed spelter sockets, thimbles, wire rope clips, weld-on pad eyes Socketing resins — spelter socketing compounds for terminations
Beam Clamps & Lift Aids	Structural beam clamps; ergonomic hand lifting aids
Wire Spooling Services	Wire rope spooling / de-reeling onto customer drums on request
Testing & Recertification	LSA/FFA testing and repairs; load testing via associate network NDT & welding (Visakhapatnam); fabrication (Mumbai offshore specialist)

Key Brands in Stock

Genuine OEM and approved-brand products from 50+ global manufacturers

Cable Glands & Electrical	Hawke	CMP	Amphenol	Bartec	Abtech	Rose	BICC	Redapt
Plugs, Sockets & Connectors	Palazzoli	Gewiss	Steck	Mennekes	GHG	Hubbell	Appleton	Killark
Lighting & Ex Equipment	MEDC	E2S	Cooper C-H	Eaton	Tranberg	Q-Light	Vision Alert	CREE
Valves & Fittings	Demco	Parker	Kunkle	Flowtek	REX	Tosca	Emico	Dixon
Expansion Joints	Proco	Eagle Burgmann	Goodall	Unaflex	Teguflex	Trelleborg		
Filters & Pneumatics	Donaldson	Baldwin	Quincy	Sullair	Norgren	ARO	Wilkerson	Parker
Safety & PPE	MSA	3M	Honeywell	Uvex	Salisbury	Brady	Masterlock	Superior
Motors & Heating Elements	Baldor	Reliance	Emerson	Marathon	Hobart	Elmatic	Tridonic	Bodine
Rigging & Wire Rope	Crosby	Lewis USA	Skookum	Pfeifer	Campbell	OSBORN	Rustoleum	Bosny
